RISK MANAGEMENT POLICY

PREFACE

Risk Management is a Key aspect of the “Corporate Governance Principals and Code of Ethics” which aims to improvise the governance practices across the Companies Activities. The Management of Non Banking Finance Company NBFCs have to base their business decisions on a dynamic and integrated risk management system and process, driven by corporate strategy. NBFCs are exposed to several major risks in the course of their business- credit risk, interest rate risk, equity price risk, liquidity risk and operational risk. It is therefore important that NBFCs should introduce effective risk management policy that addresses the issues relating to various business risks. NBFCs are required to ensure that a proper policy framework on Risk Management Systems with the approval of the Board is formulated and put in place. Risk management policy and processes will enable the Company to proactively manage uncertainty and changes in the internal and external environment to limit negative impacts and capitalize on opportunities.

OBJECTIVE & PURPOSE OF POLICY:

The main objective of this policy is to ensure sustainable business growth with stability and to promote a pro-active approach in reporting, evaluating and resolving risks associated with the business. In order to achieve the key objective, the policy establishes a structured and disciplined approach to Risk Management, in order to guide decisions on risk related issues.

This Policy represents the basic standards of Risk Assessment to be followed by the company. Changes in the Policy will become effective upon approval by the Board of Directors of the Company. All relevant employees must be thoroughly familiar or made familiar with it and make use of the material contained in this Policy.

The specific objectives of the Risk Management Policy are:

- ❖ To ensure that all the current and future material risk exposures of the company are identified, assessed, quantified, appropriately mitigated, minimized and managed i.e to ensure adequate systems for risk management.
- ❖ To establish a framework for the company’s risk management process and to ensure its implementation.
- ❖ To enable compliance with appropriate regulations, wherever applicable, through the adoption of best practices.
- ❖ To assure business growth with financial stability.
